Notice for the Proposal Seminar

It is hereby informed to all the concerned post-graduate students and major supervisor of the plant science departments that the proposal seminar of 2020 intake will be held as trailed in the following pages. Please consider the following instructions for the proposal seminar.

- The candidate and major supervisor must be present physically for the seminar. If candidate/major supervisor is/are unable to attend in the scheduled date, a written application with genuine cause and supervisor recommendation is necessary to re-schedule it for an alternate date. Further request will not be entertained. Time can be arranged within department with mutual understanding of candidates.
- Candidates are requested to prepare 7 slides only including Introduction (1 slide), Objectives & hypothesis (1 slide), Materials & Methods (3 slides), time frame (1 slide) and budget (1 slide).
- The candidate must submit printed PPT slides (2 slides /page) to the external examiner during presentation.
- The time for the presentation is only 5 min. and followed by a discussion (5 min.). The discussion is open for all the participants; however, the priority is for departmental colleagues.
