Notice for the Result and Proposal Seminar

It is hereby informed to all the concerned post-graduate students and major supervisor of the listed departments that the result seminar and proposal seminar of 2020 and 2021 intake will be held as follows. Please consider the following instructions for the result/proposal seminar.

- The candidate and major supervisor must be present physically for the seminar. If candidate/major supervisor is/are unable to attend in the scheduled date, a written application with genuine cause and supervisor recommendation is necessary to re-schedule it for an alternate date. Further request will not be entertained. Time can be arranged within department with mutual understanding.
- **RESULT SEMINAR-** Candidates are requested to prepare 8 slides only including introduction (1 slide), materials & methods (1 slide), results (5 slides) and conclusion (1 slide).
- **PROPOSAL SEMINAR-** Candidates are requested to prepare 8 slides only including introduction & objective (2 slides), mat. & methods (4 slides), activity time frame (1 slide) & budget (1 slide).
- Candidate must print at least 2 copies of slides (2 slides/page).
- The candidate must write their official roll no in the first page.
- The time for the presentation is only 5 minutes and followed by a discussion (5 min.). The discussion is open for all the participants, however, special priority is for departmental colleagues.
- The result seminar must be without major changes in the proposed research during proposal seminar unless officially approved (Evidence should be produced).

Criterion for the evaluation of result/proposal seminar

Particulars	Full marks	Evaluation criterion
